BCP Local Performance and Scrutiny Committee meeting

Wednesday 22 February 2023 at 10.00am

Public Questions

If you wish to put a question to one of the Local Performance and Scrutiny Committees concerning the role of the Fire and Rescue Service in a Committee's area, your question should be no more than 450 words and submitted to democratic.services@dwfire.org.uk at least two full working days before the meeting.

Your question will be read out by an Officer of the Service and answered by an Officer or a Member of the Committee as appropriate. All questions/statements and the responses will be published in full within the minutes of the meeting.

Committee purpose

The main purpose of the area-based committees is to reduce community and firefighter risks by developing, overseeing and assuring the delivery of activities associated with prevention, and response. The key focus of the committee is to scrutinise performance and improvement at a local level against the priorities 1, 2 and 3 set out in the Authority's Community Safety Plan and to make any recommendations to the Authority.

There are four committees associated with the administrative areas of the following Constituent Authorities: Bournemouth, Christchurch and Poole Council, Dorset Council, Swindon Borough Council and Wiltshire Council.
