This report is addressed to the Authority and has been prepared for the sole use of the Authority. We take no responsibility to any member of staff acting in their individual capacities, or to third parties. The Audit Commission issued a document entitled *Statement of Responsibilities of Auditors and Audited Bodies* summarising where the responsibilities of auditors begin and end and what is expected from audited bodies. We draw your attention to this document which is available on Public Sector Audit Appointment's website (www.psa.co.uk).

External auditors do not act as a substitute for the audited body's own responsibility for putting in place proper arrangements to ensure that public business is conducted in accordance with the law and proper standards, and that public money is safeguarded and properly accounted for, and used economically, efficiently and effectively.

We are committed to providing you with a high quality service. If you have any concerns or are dissatisfied with any part of KPMG's work, in the first instance you should contact Darren Gilbert, the engagement lead to the Authority, who will try to resolve your complaint. If you are dissatisfied with your response please contact the national lead partner for all of KPMG's work under our contract with Public Sector Audit Appointments Limited, Trevor Rees (on 0161 246 4000, or by email to trevor.rees@kpmg.co.uk). After this, if you are still dissatisfied with how your complaint has been handled you can access PSAA's complaints procedure by emailing generalenquiries@psaa.co.uk, by telephoning 020 7072 7445 or by writing to Public Sector Audit Appointments Limited, 3rd Floor, Local Government House, Smith Square, London, SW1P 3HZ.

This report summarises the key findings from our 2014/15 audit of Dorset Fire Authority (the Authority).

Although this letter is addressed to the Members of the Authority, it is also intended to communicate these issues to key external stakeholders, including members of the public.

Our audit covers the audit of the Authority's 2014/15 financial statements and the 2014/15 VFM conclusion.

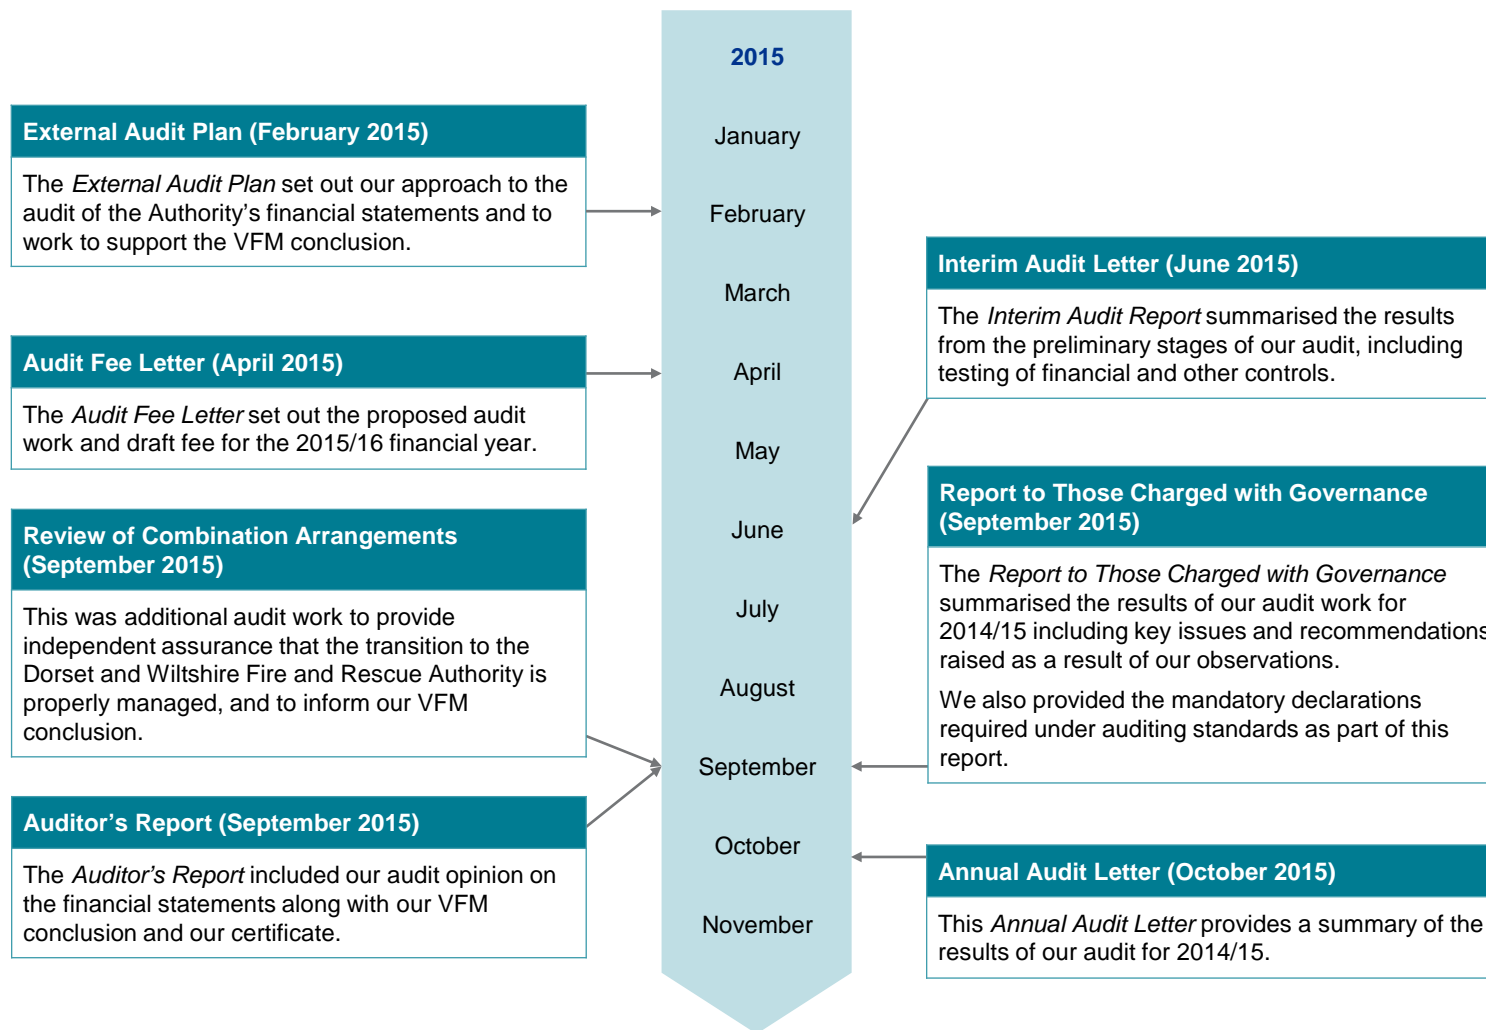

VFM conclusion	<p>We issued an unqualified conclusion on the Authority's arrangements to secure value for money (VFM conclusion) for 2014/15 on 29 September 2015. This means we are satisfied that that Authority had proper arrangements for securing financial resilience and challenging how it secures economy, efficiency and effectiveness.</p> <p>To arrive at our conclusion we looked at the Authority's financial governance, financial planning and financial control processes, as well as the arrangements for prioritising resources and improving efficiency and productivity.</p>
VFM risk areas	<p>We undertook a risk assessment as part of our VFM audit work to identify the key areas impacting on our VFM conclusion and considered the arrangements you have put in place to mitigate these risks.</p> <p>Our work focussed on arrangements made by the Authority and on the combination with Wiltshire & Swindon Fire Authority.</p> <p>Our work identified no significant matters to report.</p>
Audit opinion	<p>We issued an unqualified opinion on the Authority's financial statements on 29 September 2015. This means that we believe the financial statements give a true and fair view of the financial position of the Authority and of its expenditure and income for the year.</p>
Financial statements audit	<p>Our audit of the 2014/15 financial statements identified a total of four audit adjustments with a total value of £1,487,000. The impact of these adjustments was to:</p> <ul style="list-style-type: none"> ■ decrease the deficit on provision of services for the year by £192,000; and ■ decrease the net worth of the Authority as at 31 March 2015 by £41,000. <p>We identified a significant financial statements audit risks during our 2014/15 audit fieldwork as below :</p> <ul style="list-style-type: none"> ■ Valuation of Property. <p>From our audit work, we concluded that the value of property was not materially misstated. However, we recommended that as part of the combination with Wiltshire & Swindon Fire Authority, management considers the accounting policy and in particular the frequency of valuation of the property portfolio under the new combined Authority.</p> <p>There were no high priority recommendations raised in respect of our 2013/14 audit on which we were required to follow up.</p>
Annual Governance Statement	<p>We reviewed your <i>Annual Governance Statement</i> and concluded that it was consistent with our understanding.</p>

All the issues in this Annual Audit Letter have been previously reported. The detailed findings are contained in the reports we have listed in Appendix 1.

Whole of Government Accounts	<p>The Authority prepares a consolidation pack to support the production of Whole of Government Accounts by HM Treasury. We are not required to review your pack in detail as the Authority falls below the threshold where an audit is required. As required by the guidance we have confirmed this with the National Audit Office.</p>
Certificate	<p>We issued our certificate on 29 September 2015. The certificate confirms that we have concluded the audit for 2014/15 in accordance with the requirements of the <i>Audit Commission Act 1998</i> and the Audit Commission's <i>Code of Audit Practice</i>.</p>
Audit fee	<p>Our fee for 2014/15 was £41,254, excluding VAT. This is an £8,750 increase on the planned fee for the year of £32,504, as per our Audit Fee Letter communicated in April 2014.</p> <p>This fee increase is due to our performance of additional audit work relating to review of combination arrangements. The fee for this is to be split between Dorset Fire Authority and Wiltshire & Swindon Fire Authority. Dorset Fire Authority's share of the fee for phase 1 of this project is £8,750.</p> <p>Further detail is contained in Appendix 2.</p>
