

Dorset and Wiltshire Fire and Rescue Service

Dorset & Wiltshire Fire and Rescue Service is one of the largest stand-alone fire and rescue services in England. It delivers a range of prevention, protection and response services to over 1.45 million residents across Bournemouth, Dorset, Poole, Swindon and Wiltshire.

The Service has the following resources (Feb 17):

- ◆ 50 fire stations
- ◆ 1,079 full-time and on-call firefighters
- ◆ 73 fire engines and a large number of specialist vehicles which are equipped to deal with a wide range of emergencies
- ◆ Uniformed and corporate staff, a large number of whom are involved in providing direct front-line services to residents and local businesses
- ◆ Over 100 volunteers
