

# Do you feel Safe and Well in your home?

**DORSET & WILTSHIRE**  
**FIRE AND RESCUE**

Would you know what to do if there was a fire in your home?

Have you concerns about a relative or neighbour who may benefit from advice about their safety and wellbeing?

Do you have working smoke alarms in your home?

Dorset and Wiltshire Fire & Rescue Service offer **FREE** safe and well advice. Our website has various leaflets, which you can access for advice on topics such as Electrical Safety, Thatched Homes, Kitchen Safety and many more.

In addition to the advice on our website, why not answer our questions to see if you meet our criteria for a **FREE** Safe and Well visit?

Some of the questions include: 'Do you live alone?', 'Have you mobility issues?', 'Are you hard of hearing?'

During a Safe and Well visit we will discuss the risks in your home, agree an escape plan and also fit **FREE** smoke and heat detectors if your home requires them.

Remember, smoke alarms save lives.

For **FREE** safe and well advice, or to check your eligibility for a visit, please see our website: [dwfire.org.uk/safety/safe-and-well-visits/](http://dwfire.org.uk/safety/safe-and-well-visits/)

Alternatively call our Safe & Well administrator on **freephone**

**0800 038 2323** during

office hours or leave a message on our answer phone.
