

Freedom of Information Request FOI 18 102

Cross border resourcing

Query:

1. How much do you charge for sending one of your resources into a neighbouring county and therefore another FRS area?
2. Do you pay different amounts for different types of resources? The resources I am referring to are listed below;
 - Pump Rescue Ladder with 6+ crewing
 - Pump Rescue Ladder crewed at 5
 - Pump Rescue ladder with Brigade Response Vehicle (BRV) crewing
 - Pump Rescue Ladder crewed at 4
 - Pump Rescue Ladder crewed at 3
 - Aerials
 - Brigade Response Vehicles
 - AFA/BSV Vehicles
 - Command Support Vehicles
 - Prime Movers
 - Bobcat(Excluding Prime Mover & PRL)
 - Pods - Including Flat Bed (Exc. Prime Mover)
 - Incident Command Unit
 - DIM Vehicle
 - HVP -Incl. Hydrosb & Hosebox Module (Exc Prime mover)
 - IRU Including Fork Lift Truck
 - Van & 1 member of staff
 - Environmental unit(Excluding Prime Mover & PRL)
3. When working out the costs to charge do you take into consideration staff costs and any other overheads?
4. If the answer to q3 is yes, would you provide the break down in the table below.

	Direct Staff Costs	OVERHEADS			
		Continuous Training Support	Vehicle Running Costs	Premise Running Costs	Other Support Service Recharges
Pump Rescue Ladder crewed at 5					
Pump Rescue ladder with Brigade Response Vehicle (BRV) crewing					
Pump Rescue Ladder crewed at 4					
Pump Rescue Ladder crewed at 3					
Aerials					
Brigade Response Vehicles					
AFA/BSV Vehicles					
Command Support Vehicles					

Prime Movers					
Bobcat (Excluding Prime Mover & PRL)					
Pods - Including Flat Bed (Exc. Prime Mover)					
Incident Command Unit					
DIM Vehicle					
HVP -Incl. Hydrosb & Hosebox Module (Exc Prime mover)					
IRU Including Fork Lift Truck					
Van & 1 member of staff					
Environmental unit(Excluding Prime Mover & PRL					

Response:

Dorset & Wiltshire Fire and Rescue Service does not have any financial arrangements in place with neighbouring Services, however we do work according to the Mutual Assistance Arrangements, as referred to in the Fire and Rescue Services Act 2004; http://www.legislation.gov.uk/ukpga/2004/21/pdfs/ukpga_20040021_en.pdf.
