

## Freedom of Information Request FOI 19 34

### Collisions and driving offences

#### Query and response:

Please provide the following information broken down by calendar years between 2016 and 2018:

1. The number of collisions involving authority vehicles. This includes all collisions in marked and unmarked vehicles.

Calendar year	Number of incidents	Cost of damage to DWFRS vehicles
2016	77	£16,634.83
2017	105	£36,151.94
2018	97	£65,197.60

2. In relation to question 1, what was the total cost of repairing damaged vehicles?

**As above**

3. A breakdown of driving offences committed by staff while on-duty, but not responding to emergency calls.

**The number of driving offences committed by staff while on-duty, but not responding to emergency calls for 2016 is not recorded.**

**There were seven driving offences committed by staff while on-duty, but not responding to emergency calls in 2017, for which we do not hold a detailed breakdown.**

**There were 10 driving offences committed by staff while on-duty, but not responding to emergency calls in 2018;**

**Exceeding 30mph speed limit x III  
Exceeding 40mph speed limit x III  
Exceeding 50mph speed limit x I  
Parking charge x III**

4. In relation to question 3, what was the outcome of each offence? E.g. Process cancelled due to speeding offences detected for operational reasons, retraining course attended, paid + points, process cancelled, court appearance.

**Once a notice has been transferred to the individual concerned, the next steps become their responsibility. Therefore this information is not held.**
