

Dorset & Wiltshire Fire and Rescue Authority

Member Buddies

Member Buddies

Member Buddies are elected Members who, in addition to their other Dorset & Wiltshire Fire and Rescue Authority (Authority) responsibilities, are assigned fire stations and other workplaces to engage with Service personnel. The scheme also helps to strengthen our governance arrangements.

All Members of the Authority are Member Buddies. Arrangements are endorsed annually in June.

Where possible, Members are aligned to Communities of fire stations and workplaces near to their ward or neighbouring wards.

The Authority is divided into the following 16 Communities:

Bournemouth, Christchurch and Poole

East Bournemouth & Christchurch

Poole

West Bournemouth

Dorset

East Dorset

North Dorset

South Dorset

West Dorset

Weymouth & Portland

Swindon

East Swindon

West Swindon

Wiltshire

East Wiltshire

North East Wiltshire

North West Wiltshire

South East Wiltshire

South West Wiltshire

West Wiltshire

You will find key contacts for each Community on pages 3 to 7.

Dorset & Wiltshire Fire and Rescue Authority

Member Buddies

A strategic focus is required during these visits, and care needs to be taken to avoid the informal meetings complicating or contradicting the governance arrangements established by the Authority. Make sure that you are aware of the Member Officer Protocol, which is in the Members' Handbook and can be found via the following link

<https://www.dwfire.org.uk/wp-content/uploads/2019/06/Member-Officer-Protocol.pdf>

During the visit, you are encouraged to spend some time becoming familiar with the Service's business by having an 'overview discussion' with the Station Manager or key contact.

The areas of focus when visiting workplaces should be:

- ◆ Familiarisation with the Service's business
- ◆ The working environment
- ◆ Staff morale and welfare

We suggest that visits to each workplace occur at least once, but no more than three times a year.

If you wish to have a senior manager attend a visit with you, please contact Democratic Services.

To ensure that feedback is captured and acted upon appropriately, please make Democratic Services aware of any arranged visits. Following your visit, you are invited to complete a workplace visit feedback form. You can access this by visiting the Members' Handbook page on our website, under the 'Useful information' banner or by using this link <https://www.dwfire.org.uk/fire-rescue-authority/members-handbook/useful-information/>.

The questions the feedback form asks are:

- 1 Name
- 2 Workplace visited
- 3 Date of visit
- 4 Who was the key contact for your visit?
- 4 What were your general observations during the visit?
- 5 What were your observations on the working environment?
- 6 What feedback did you get regarding staff morale and welfare?
- 7 Do you have any specific issues to raise as a result of your visit?
If yes what issues do you wish to raise?
- 8 Was the visit arranged and facilitated well for you?
- 9 Do you require any advice, input or development that would help you with future visits?

The contact details for Democratic Services are democratic.services@dwfire.org.uk or 01722 691079. We will keep the Chief Fire Officer informed of visits and their outcomes.

If you feel that you would benefit from any advice or development to help you with this role, please contact us at the email address above.
