Fires in schools

Query:

1. How many fires has Dorset and Wiltshire Fire and Rescue Service attended in schools in the last five years (2014 to present)? I would like the information broken down by school type (preschool/ nursery, primary school and secondary school), name of school and date fire service attended.

2. How many of the schools attended for fires had sprinkler systems installed? Please include the name of the school, school type and date attended.

Response:

Please see attached "FOI 19 67 Fires in schools", which provides the information that you have requested.
