

## Freedom of Information Request FOI 19 76

### Fire safety in care homes

#### Query:

Please can you answer the following for the years 2018 and 2019 so far:

- How many compliance checks did the fire service carry out in care homes?
- How many of those resulted in no action being taken?
- How many of those resulted in written confirmation of work which may be required?
- How many of those resulted in action plans being issued?
- How many of those resulted in enforcement notices being issued?
- How many of those resulted in prohibition notices being issued?
- How many care homes had sprinklers fitted?

Please can you give the figures separately for 2018 and 2019.

#### Response:

**Please see attached “FOI 19 76 Fire safety in care homes”, which provides the information that you have requested.**
