## Day Crewed Stations

Day Crewed stations have two watches each working three days on and three days off. An individual shift is 24 hours in duration. Firefighters are on station during the day and respond from home at night as illustrated below:

Westlea Fire Stations Day Crewed work pattern:

***Trowbridge and Chippenham have a slightly different working pattern starting at 6pm (On call) the day before their 1st day shift and finish at the end of their 3rd day shift.***

This will all be covered in more detail at the Information Sessions.

The Day Crewed stations we are recruiting to are:

<b>Station</b>	<b>Westlea Fire Station</b>	
<b>Address</b>	The Chesters, Stonehill Green, Westlea, Swindon, SN5 7DB	
<b>Appliances</b>	<ul style="list-style-type: none"> <li>• One fire engine</li> </ul>

<b>Address</b>	Dallas Road, Chippenham, SN15 1LE	
<b>Appliances</b>	<ul style="list-style-type: none"> <li>• Two fire engines</li> <li>• Specialist water and rope rescue</li> <li>• A rescue boat</li> </ul>	

### Day Crewed Station – Five-minute Response time requirement

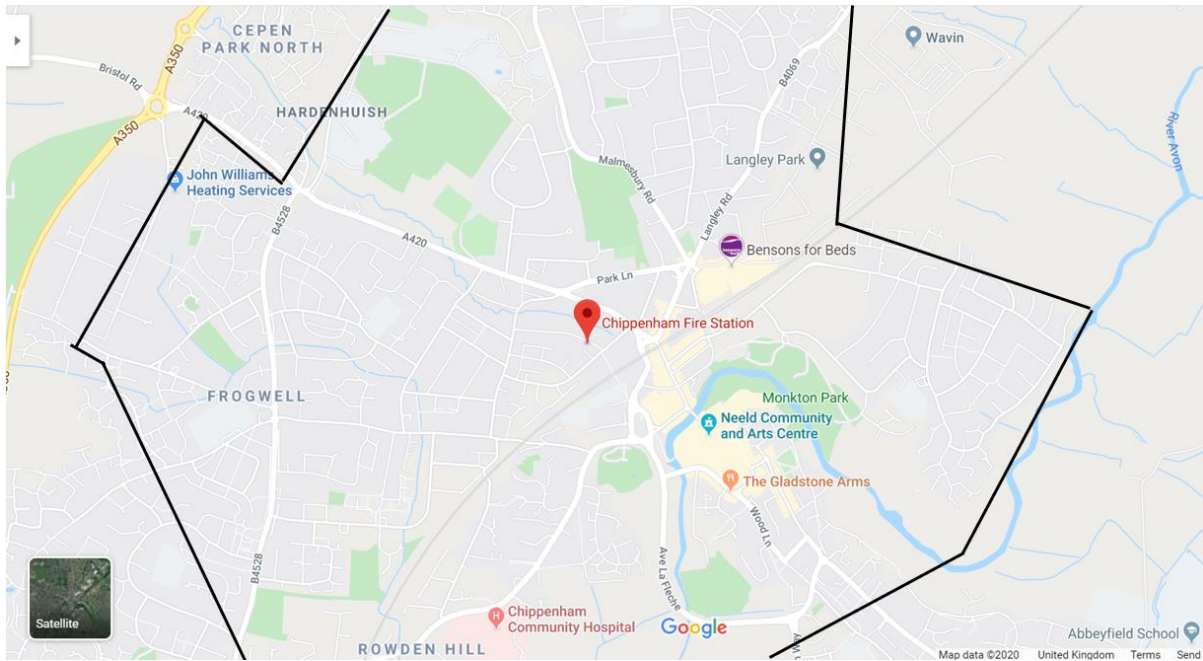

It is a requirement that all day crewed station employees live within a five-minute response time to the station and must remain within that five-minute response time for the duration of their 3-day tour.

We have attached a map showing responding areas below for Westlea Fire Station, Chippenham Fire Station and Trowbridge Fire Station.

### Westlea Fire Station – Indication of response catchment area

**Chippenham Fire Station – Indication of response catchment area**

**Trowbridge Fire Station – Indication of response catchment area**
