

Sam's Sad Day Colour Hunt

Can you find objects in these different colours around your house or on your daily walk? You could:

- collect them in an egg box
- or take a photo
- or write them down
- or make a drawing
- or just point them out to someone

Can you find something green like Sam's bright green sides?

Can you find something purple like the heather on the heath?

Can you find something yellow like the warm sand?

Can you find something brown like Andy the Adder?

Can you find something blue like Danni the Dartford Warbler?

Can you find something red like the fire engine?

When you have finished; you could make a rainbow for the NHS and key workers and put it on display.
