

Who's Who?

My name is Flames the Dragon. I am six years old.

Can you work out how old the rest of my family are? Don't worry I have some clues to help you!

My brother, Smokey, is twice as old as me. How old is Smokey?

My uncle, Red, is three times as old as me. How old is Red?

My sister, Embers, is half my age. Embers is years old.

My Grandmother, Sizzles, is ten times my age. How old is my Grandmother?

My father, Fizzle, is twenty years older than me. Fizzles is years old.

Can you list the dragons in order from youngest to oldest to find out who's who?
