

Safe by the River Leaflet

Now you have heard the story *Safe by the River*, could you design a safety leaflet to give people advice about what they can do to keep themselves safe.

You will need...

An A4 piece of paper folded in half

Pencil / Pen

Felt pens / pencil crayons / paint

Safe by the River Story

Your imagination!

1 - Read or listen to the story *safe by the river*.

2 - Decide what the most important safety messages are.

3- Fold your A4 sheet of paper in half and use a pencil to design your leaflet.

4 - use your best handwriting to write the information onto your leaflet and draw with pictures to go with the text.

5 - Share your leaflet with other people to keep them safe by the river

Things you may like to include:

- Hold hands with an adult near water
- Always stay with an adult
- Float like a starfish if you fall into the water
- Throw a lifebuoy to someone if they have fallen in the water
- Never go in the water to help anyone, not even an animal, you will put yourself in danger
- Call 999
