

## Freedom of Information Request FOI 21 16

### Northacre Resource Recovery Centre (Hills Waste) incident reports

#### Query:

In relation to the Northacre Resource Recovery Centre, Stephenson Road, Westbury:

- How many times did services attend Northacre Resource Recovery Centre in 2019 and 2020?
- What were the dates and times?
- What was the cause of attendance, how many pumps attended and what was the extent of the damage?

#### Response:

**We have carried out a search of our systems and can confirm that there is one recorded attendance at Northacre Resource Recovery Centre in 2019 and 2020.**

**The attendance was made by three pumps on 27 June 2020 at 04:47:58.**

**The fire was caused by overheating of an unknown cause and the damage was limited to the item that first ignited.**

**Information/Detail accurate on the date provided: 09, February 2021**
