

## Freedom of Information Request FOI 21 17

### Make Pumps 20 fires from January 2016 to December 2020

#### Query:

*I would like to know the following:*

#### *Date*

*Incident details (for example: warehouse 100m x 50m 70% alight or scrapyard measuring 50m x 30m and 15m in height alight)- please see attachment for guidance.*

*Town incident occurred*

*for all fires that were Make Pumps 20 at their height- not including relief pumps, special appliances and support pumps for the specialist appliances between January 2018 and December 2020.*

#### Response:

**Within the attached spreadsheet (FOI 21 17 - Fires 20 Pumps) we have provided the location, date and property type. We have not provided a summary of each incident, as this information is not held. In addition, the attached is a count of how many pumps attended, we do not record make pumps within our system.**

**Information/Detail accurate on the date provided: 15, February 2021**
