1. Introduction

- 1.1 As Members are aware, the Service's performance is reviewed against the strategic priorities set out in the Community Safety Plan. This Committee oversees the performance against Priorities 4 and 5 - *Making Every Penny Count* and *Supporting and Developing our People*, with the Local Performance and Scrutiny Committees scrutinising service delivery performance at a local level.
- 1.2 Part of this innovative approach to reporting and scrutiny has been to anchor reporting to specific KLOEs. Each of the strategic priorities is supported by a set of KLOEs.
- 1.3 The Service's KLOEs align to the methodology within the three pillars of HMICFRS's methodology: Effectiveness, Efficiency and People. This is designed to provide evidence of the Service's performance against the methodology, allowing Members to monitor and scrutinise performance, ensuring it continues to achieve the overall HMICFRS rating of 'good'.
- 1.4 A baseline assessment for each KLOE has been undertaken against the HMICFRS methodology and 'good' rating. The evidence collected for each has been assessed against three levels – requires improvement, good, or outstanding, to determine the overall level of performance and where improvement actions are required.
- 1.5 This report sets out the performance for quarter 1, 2021-2022 and will be supported by the attendance of key Officers at the meeting to answer any specific points Members may wish to raise.
- 1.6 There are no new significant or strategic issues to raise with Members arising from this report.

2. Summary and key points

- 2.1 The use of KLOEs is an innovative approach to reporting performance. This approach provides a structured means for Members to receive performance information within a wider context.
- 2.2 There are no new significant issues to raise with Members at this time and good progress is being made.
- 2.3 The quarter 2 performance report for 2021-2022 will be provided to the Finance & Audit Committee at the meeting on 8 December 2021.
