### Electric Vehicles

#### Query & Response:

I would like to be provided with the following information regarding electric vehicles:

1. How many electric vehicles are currently in your fleet?  
**No full EVs on fleet at this time.**
2. How many vehicles (both electric and internal combustion engine vehicles) in total make up your fleet?  
**425**
3. Please share any plans to acquire more electric vehicles:  
**DWFRS are currently carrying out a scoping exercise to assess greener options to achieve the phasing out of ICE vehicles in-line with the 2030 Government target as per our Environmental Strategy. Our 3-year strategy in terms of EV charging points and reduce our C02 emissions is committed to achieving a reduction of support vehicle fleet usage that accurately reflects organisational needs, embedded smarter working practices and the installation of electric vehicle (EV) charging points at key sites.**
