DORSET & WILTSHIRE  
FIRE AND RESCUE

Trinidad Village

Every 1st Tuesday of the month  
5pm – 6.30pm

We are a person – centred support group aiming to support people who have personal experience of hoarding behaviour, either directly or through their family or friends. The group will be able to share concerns, challenges, and successes. There will be support with practical help and the ability to share feelings relating to hoarding behaviour and gain a better understanding for all.

Working with a variety of different agencies, we are offering a place for you to feel safe and supported and gain confidence in dealing with your challenges.
