22/07.2 **Priority 1 - Help you to make safer and healthier choices.**

22/07.3 GM Pack referred to two cases of close working with the Dorset Community Safety Partnership to support two individuals at risk, which had provided a beneficial outcome. Councillor Knox asked that reference also be made to the Dorset Strategic Alliance for Children and Young People when listing partner organisations.

22/07.6 **Priority 3 – Be there when you need us**

22/07.7 Arising out of consideration of 'blue light' driving, the officers explained that in advance of anticipated changes in legislation to extend the period of driving instruction to two weeks from presently one, there was an emphasis on providing training to priority stations that required drivers. 22/07.8 **Demand summary**

22/07.9 Following a question by Cllr Knox, the Committee discussed the strategy on automatic fire alarms. AM Why explained the cross directorate work which was being undertaken to reduce the burden of false alarms on the Service. It was discussed that it was important to obtain accurate information on an automatic fire alarm call in order that the right decision on attendance could be made. For example, call handlers would use their discretion to challenge alarm calls on low risk commercial buildings, including contacting the call key holder. In terms of presenting the information obtained, the Service was seeking to align the information on not attending automatic fire alarms with the Service Dashboard. It was noted that there was a balance to be made between making the correct decision on responding and the cost savings that accrued from not attending false alarm calls.

22/07.10 In reply to a question from the Chair, AM Why outlined the actions that were taken by the Director of Community Safety, Assistant Chief Fire Officer, Andy Cole and himself to analyse trends to identify if any stations were underperforming which might result in an emerging problem.

22/07.11 The Chair thanked GM Pack for his presentation and the meeting also thanked AM Why, as this would be the last Dorset LPS meeting he would attend prior to taking up a new position within the Service.

22/07.12 **RESOLVED: Members scrutinised and noted the performance for quarter 3 2022.**

22/08 Matters raised by Members (agreed with the Chair)
