

“Pin the light on the fire engine” game

- 1) Print out the two pictures of the fire engine
- 2) Cut out and stick together
- 3) Print out at least one light per child
- 4) Cut out each light
- 5) Child’s name is written on the light
- 6) Stick the picture of the fire engine up at a suitable height for the children.
- 7) Put a bit of sticking tac on the back of each light
- 8) In turn, blind fold each child (or ask them to close their eyes), point them in the direction of the picture and ask them to stick their light on the fire engine
- 9) Nearest wins!
- 10) You could turn this into a teamwork activity with one child giving the one with the blindfold on instructions.
