MEETING	Finance & Audit Committee
DATE OF MEETING	7 December 2022
SUBJECT OF THE REPORT	Statement of Accounts 2021-22
STATUS OF REPORT	For open publication
PURPOSE OF REPORT	For information
EXECUTIVE SUMMARY	<p>The draft Statement of Accounts for 2021-22 were presented to the Finance & Audit Committee on 27 July 2022.</p> <p>The final Statements have now been produced and Deloitte LLP, our external auditors, have substantially completed their audit work. Their report is elsewhere on the agenda and indicates that they expect to provide an unmodified audit opinion.</p> <p>The final Statements show no significant changes to the draft Statements that Members scrutinised in July 2022. The overall financial position, Total Comprehensive Income and Expenditure and Balance Sheet totals remain unchanged. There have been some minor changes made throughout the Statements, but nothing of significance that needs to be drawn to the attention of Members.</p> <p>The Annual Governance Statement has been updated to reflect the current strategic risks.</p> <p>Page 19 of the external auditors' report includes details of one uncorrected audit adjustment which relates to the prior year. As Treasurer I am satisfied that there is no need to make any changes to the Statements in respect of the uncorrected adjustments.</p>
