

## **Freedom of Information Request FOI 22 82**

### **Incidents caused by disposable BBQs, cigarette litter, broken/discarded glass bottles and sky lanterns**

#### **Query:**

I request to be supplied with data on the causes of fires reported to Dorset And Wiltshire Fire & Rescue Service, including but not limited to those started by disposable BBQs, cigarette litter, broken/discarded glass bottles and sky lanterns. I request that this data is broken down at least by month, for the last 24 months.

#### **Response:**

**Attached is a spreadsheet containing the information that you have requested.**

**You will see that column M shows a time in the format HH:MM:SS. This represents the time between the call and the time that the stop message was sent.**

**Information/Detail accurate on the date provided: 30, September 2022**
