Bronchial challenge tests

Query:

Would you please supply the following information:

- 1) The number of bronchial challenge tests requested and/or performed at your request during 2019 and 2021 for occupational health or other reasons
- 2) Your providers of bronchial challenge testing (at which locations/sites/departments) for occupational health or other reasons
- 2) The chemical agent used for the test e.g. mannitol or methacholine (if known)
- 4) The contact details of the sites/departments performing the tests?

Response:

We do not offer, perform or require any bronchial challenge testing at Dorset & Wiltshire Fire and Rescue Service either directly or through our Occupational Health providers.
