

Freedom of Information Request FOI 23 27

Documentation linked to emergency response motorcycles

Query and Response:

- -Any/all risk assessment which have been created to support emergency response motorcyclist roles (as per HSE requirements)
- -Documentation covering the required CE standards for motorcyclist riding clothing (garments, policy, procurement, etc).

We do not have any emergency response motorcyclists so therefore do not hold the information requested.

Information/Detail accurate on the date provided: 28, February 2023
