

## Freedom of Information Request FOI 23 41

### Faulty E - Bike Batteries

#### Query and Response:

Please could you tell me for each of 2020, 2021, 2022 and to date in 2023:

How many fires suspected of being caused by faulty e-bike or scooter batteries have there been which have been responded to by your fire service?

**Please see the table below**

	2020	2021	2022	2023
Electric Bikes	1	1	3	1
Electric Scooters	0	1	1	1

How many of these caused injuries?

**Of the figures reported above one incident resulted in an injury.**

How many of these cause death?

**Of the figures reported above none have caused death.**

**Information/Detail accurate on the date provided: 19, April 2023**
