529	Sustainability of operational training provision.	The Service must have tenable and appropriate operational training, with sufficient resources and provision to ensure a safe and suitable response to emergencies. Furthermore, this must be flexible to meet future challenges and need, whilst also meeting environmental responsibilities.	Director of People	4	4	16	4	2	8	Treat	Continued positive relations and contract management of leased sites.  Delivery of the project to establish two operational training centres to meet future needs.  Ongoing awareness and development of environmental opportunities to meet organisational expectations.	➔
