If any of the headings within your contract register has not been provided, please state this within your response.

Please provide the contract's register file in Excel format.

2. Procurement Strategy Document Request:

- Can the organisation provide a full version of their Procurement Strategy for the fiscal year 2024-2025?
 - If the Procurement Strategy is a strategic direction (2022-2025) instead of an annual plan, please provide an update document for 2023-2024. If an update cannot be provided, please provide information on when an update is planned to be published.
 - We require the full document. If any parts of this document have been removed, please state this within your response.

3. Contact Details Request:

- Provide contact details of the person responsible for API or data sharing, including [Name, Job Title, Telephone, Email Address].
- Provide contact details of the person responsible for the actual contract's register, including [Name, Job Title, Telephone, Email Address].

IMPORTANT:

1. If the organisation has a CRM system or a similar system, ensure there is a facility to download and extract contract data.
2. If providing a weblink to a portal, ensure that all contracts are included, as some organisations may only upload a small portion of their contracts.
3. For organisations planning to make an exemption around spend, clarify that the spend information requested is an overall figure, and a complete breakdown is not required.

Please provide the contract's register file in Excel format.
