

### **Who could be affected by this fire?**

After hearing about the fire started by the children think about who could have been affected by the fire?

Here are some people, can you think of anyone else?

- Child who set the fire
- Children with the child who set the fire
- Families of the children who were involved in starting the fire
- Friends of the children who started the fire
- Firefighters
- Police Officers
- Police Community Support Officers
- Paramedics
- Anyone else who needed the emergency services at that time(as it will take longer for help to get to them)
- Road users (often the roads are closed if there is a fire)
- Local residents who live near shop and use it
- Shop owner
- Family of shop owner
- Lady who lived in the flat above the shop
- Family of the lady who lived in the flat
- Staff who worked in the shop
- Taxpayer
- Insurance Companies
