- ✓ Have you got working smoke alarms? (if not visit www.dwfire.org.uk)
- ✓ Do you test your smoke alarms every week?
- ✓ Does your child know to always wear their seatbelt?
- ✓ Teach and practice with your child what to do if they are struggling in water: Float on their back with their arms and legs like a star, when their breathing calms they can then call for help.

# Gold Star Fire Safe

Fill in the gaps in the clues. Find the words in the wordsearch. The words can go in any direction.

## Clues

1. Make sure you have a working **s_ _ _ _** alarm on every level of your home.
2. Smoke alarms give you an early **w_ _ _ _ _ _** that there might be a fire and you need to get outside.
3. If there is a fire you need to **g_ _** out, **s_ _ _** out and **c_ _ _** 999.
4. Once outside, meet your grown-ups at your **m_ _ _ _ _ _** point. This is somewhere safe away from the building such as a **t_ _ _**, lamppost or the end of the road.
5. Make sure you know your **e_ _ _ _ _** plan for your home. Make sure you know all the possible exits.
6. When you call 999, the first thing they will ask you for is your **a_ _ _ _ _ _**. Make sure you learn this off by heart, including the postcode.
7. If there is smoke keep **l_ _** as you get out of the building.
8. Keep your **k_ _ _** near the doors and windows so you can get out quickly.
9. Use the back of your **h_ _ _** to test if the door is hot. If it is hot, do not open it and find another way out of the home.
