

## Freedom of Information Request FOI 25 14

### Vape Related Fires

#### Query:

*I am writing to request information under the Freedom of Information Act 2000. The main purpose of this request is to gather data from each fire service in the United Kingdom regarding vape-related fires.*

*Specifically, I am seeking information on the following:*

- The total number of vape-related fires attended by the fire service for each of the past 5 years (2020-2024).*
- If held, a breakdown of the causes of each vape-related fire, for example poor charging or disposal practices, or counterfeit or faulty products.*

#### Response:

**Please see the attached spreadsheet with the information requested. We have searched our system for the period 01/01/2020 to 31/12/2024.**

**Information/Detail accurate on the date provided: 13, February 2025**
