

## Freedom of Information Request FOI 25 16

### Surveying and geospatial Activity

#### Query and Response:

1. What are the biggest challenges your organisation currently faces in surveying and geospatial activity? **Under the EIR regulations a request can be refused if one or more exceptions apply. We are claiming Regulation 12 (4) (a) – Information not held.**

2. Are you confident in your full knowledge of the condition and knowledge of your impact on our local environment? **Under the EIR regulations a request can be refused if one or more exceptions apply. We are claiming Regulation 12 (4) (a) – Information not held.**

3. What are your organisation's key strategic objectives for the next 12-24 months, and how does surveying and geospatial fit into these? **You can find our strategic objectives using the following link:**

[Dorset & Wiltshire Fire Service | Service plans and policies](#)

**Under the EIR regulations a request can be refused if one or more exceptions apply. We are claiming Regulation 12 (4) (a) – Information not held. We do not record how surveying and geospatial fit into these.**

4. Please detail any planned development of sites or assets. **DWFRS are developing Weymouth and Devizes fire training facilities and are remodelling some of our existing sites.**

5. Do you have a supplier for drainage mapping and surveying? **No**

6. If so, please can you supply details of the contractual arrangements in place including date of award, details of any Framework used or link to the advertisement, contract value and duration **N/A**

7. If not, please can you indicate what evaluation of the requirement for surveying and geospatial works have been undertaken? **Not currently specified**

8. Please share your planned procurement pipeline for surveying and geospatial works for the next 12 months – **DWFRS have no plans to procure surveying and geospatial works.**

9. How do you engage with potential new suppliers—through open tenders, direct engagement, or supplier days? **DWFRS procures all goods and services in line with Government procurement regulations.**

10. Please can you confirm the individual responsible for managing your surveying and geospatial contracts or wider development contracts and provide their contact details and role title? We **do not have one individual responsible, the person responsible would depend on the nature and scope of the project.**

11. Please provide a list of frameworks that you procure related services through? **DWFRS procures all goods and services in line with Government procurement regulations. The frameworks and procurement routes we use depend on the nature of the procurement being carried out.**

12. Do you plan to repurpose any sites for renewable energy or solar farms? **No**

13. Do you have any issues with subsidence in your properties? If so, where? **No**

14. When developing/purchasing/selling a site, how do you verify that the boundaries are correct? **We have not purchased or disposed of any land in recent years.**

15. Do you have any public cycleway schemes coming up in the next 12-24 months? **No**

**Information/Detail accurate on the date provided: 10, February 2025**
