

Freedom of Information Request FOI 26 13

Post-Fire Vegetation Recovery

Query:

Incidents that meet the following criteria:

- Size: Fires larger than 1 hectare
- Timeframe: Incidents occurring between 2000 and 2022
- Location: Primarily those occurring on Dry or Wet Heath habitats.

The specific data I require about the fires:

1. The date of the incident
2. Location, ideally in the form of GIS shapefiles or Grid references

Reply:

We only hold incident data from 01st April 2015, so we have looked between 01st April 2015 and the 31st of December 2022. All of the incidents between the specified timeframe had damage over one hectare.

We have supplied the grid reference within the following table:
