

Freedom of Information Request FOI 26 63

Incidents attended at church or other religious building since 1 January 2018

Query and response:

Please provide the following information:

1. The number of incidents attended at church or other religious building locations since 1 January 2018, broken down by year and by incident type (e.g., accidental fire, deliberate fire, false alarm).
Please see the attached excel file (FOI 26 63 - Incidents attended at church or other religious building since 1 January 2018) for our response to this request. Please note, DWFRS has used our IRS and searched for any incidents where the Property Category is Religious to retrieve the data provided for this request.
2. Confirmation of whether your incident recording system has a specific location type field for religious sites (church, mosque, synagogue, temple, etc.).
We can confirm our incident recording system as a property category of Religious.
3. Copies of any guidance or policy documents used by your service regarding the recording of incidents at places of worship.
I can confirm we do not have any guidance or policy documents which are used by the service relating to incidents at places of worship.
