Amount of budget spent on vehicles for senior officers

Query:

How much of your budget was spent on vehicles for senior officers and were these vehicles leased or purchased?

Response:

This response outlines the capital expenditure costs incurred for the last five financial years (2021/22 - 2025/26) for vehicles purchased for members of the Strategic Leadership Team.

2021/22	None
2022/23	£28,744.51
2023/24	£50,275.49
2024/25	None
2025/26	None

Please note that all vehicles were purchased rather than leased.

Capital purchases form part of the capital programme and are not funded from the annual revenue budget of the Service.

Running costs of the vehicles including fuel and insurance are funded from the annual revenue budget provision. This is not held on an individual vehicle basis.
