DATE OF MEETING	29 September 2026
SUBJECT OF THE REPORT	Statement of Assurance 2025-26 and Modern Slavery Statement
STATUS OF REPORT	For open publication
PURPOSE OF REPORT	For approval
EXECUTIVE SUMMARY	The Fire and Rescue National Framework for England 2018 requires all fire and rescue authorities to provide an annual Statement of Assurance. This statement should outline the overall governance, financial and operational arrangements. Members are asked to review and approve Appendix A, the draft Statement of Assurance for 2025-26. In line with the requirements of the Modern Slavery Act 2015, the Services Modern Slavery statement is reviewed on an annual basis. Members previously agreed that this would be submitted each year alongside the Statement of Assurance. Appendix B to this report therefore sets out the revised Modern Slavery statement for approval. Following its approval, the Statement of Assurance will be published on the Service's website along with several key hyperlinked documents to increase public transparency. In addition, the Modern Slavery statement will also be published on the website and uploaded to the Government Modern Slavery statement registry.
RISK ASSESSMENT	Failure to approve a robust Statement of Assurance and adhere to the expectations in the Fire and Rescue National Framework for England (2018) may lead to

	reputational risks for the Dorset & Wiltshire Fire and Rescue Authority (the Authority).
